

# Share Your Ideas

**Cricket Valley Energy** (CVE) invites you to its third set of Advisory Working Groups (AWG). We'll share ideas regarding plans to enhance transmission capacity in the existing Consolidated Edison right-of-way between the Town of Dover and the Con Edison substation in the Town of Pleasant Valley.

**AWGs are held at convenient locations throughout the project area.** The next sessions take place in **LaGrange** and **Dover Plains**. Each will cover topics previously requested by attendees:

-  Project Benefits (short and long term)
-  Design Factors

## **LaGrange: Monday, December 15, 2014**

7:00 p.m. to 8:30 p.m.

LaGrange Town Hall, 120 Stringham Road, Lagrangeville, NY

## **Dover Plains: Tuesday, December 16, 2014**

7:00 p.m. to 8:30 p.m.

CVE Community Outreach Office, 5 Market Street, Dover Plains, NY

### **All are welcome.**

**No experience or expertise needed to participate**

Call **(845) 877-0596** or email **info@cricketvalley.com** to register

This project is not part of any of the following transmission line projects: NY Transco Edic to Pleasant Valley; NEXTERA New Scotland to Pleasant Valley; North American Transmission; or Boundless Energy Transmission.
