

# Share your ideas

**Cricket Valley Energy** (CVE) invites you to its third set of Advisory Working Groups (AWG). We'll share ideas regarding plans to enhance transmission capacity in the existing Consolidated Edison right-of-way between the Town of Dover and the Con Edison substation in the Town of Pleasant Valley.

**AWGs are held at convenient locations throughout the project area.** The next sessions take place in **LaGrange** and **Dover Plains**.

Each will cover topics previously requested by attendees:

-  Project Benefits (short and long term)
-  Design Factors

## **LaGrange:**

**Monday, December 15, 2014**

**7:00 p.m. to 8:30 p.m.**

LaGrange Town Hall  
120 Stringham Road  
Lagrangeville, NY

## **Dover Plains:**

**Tuesday, December 16, 2014**

**7:00 p.m. to 8:30 p.m.**

CVE Community Outreach Office  
5 Market Street  
Dover Plains, NY

## **All are welcome.**

No experience or expertise needed to participate.

Call **(845) 877-0596** or email **info@cricketvalley.com** to register.

This project is not part of any of the following transmission line projects: NY Transco Edic to Pleasant Valley; NEXTERA New Scotland to Pleasant Valley; North American Transmission; or Boundless Energy Transmission.
