

Let's Stay Connected

Cricket Valley Energy (CVE) invites you to its fourth set of Advisory Working Groups (AWG). We'll share ideas regarding plans to enhance transmission capacity in the existing Consolidated Edison right-of-way between the Town of Dover and the Con Edison substation in the Town of Pleasant Valley.

AWGs are held at convenient locations throughout the project area. The next sessions take place in **Union Vale** and **Pleasant Valley**. Each will cover topics previously requested by attendees:
