Cricket Valley Energy (CVE) invites you to its second Advisory Working Group (AWG). We'll share ideas regarding plans to enhance transmission capacity in the existing Consolidated Edison right-of-way between the Town of Dover and the Con Edison substation in the Town of Pleasant Valley.

AWGs are held in two convenient locations, and each will cover topics requested by attendees:

-  How Energy Moves Through the Grid
-  Project Visual Impact
-  Underground Construction
-  Noise & Safety
